2025 -2026

WELCOME!

Welcome to both our new and returning families! We are excited to continue our focus on strengthening literacy skills this year. Our goal is to increase academic achievement for every student, and we are committed to working together to make this happen.

Please know that my door is always open if you would like to meet or discuss your child's progress. Together, we can support your child's success.

We are looking forward to an outstanding year!

Thank you for being part of our school community!

School Site Council

We are pleased to announce that ten parents have signed up to run for our School Site Council, a position elected by the parent community. You have received an invitation to vote through the parent portal.

Please take a moment to cast your vote for up to five candidates on the ballot by 3:30 pm on September 12, 2025.

Thank you for your participation in this important process!

Character Trait of the Month **RESPECT**

Phone/Electronic Policy

Students can have access to their phones when off campus. Cell phones and earbuds/headphones **MUST** remain turned off and stowed away during school hours (in backpacks), including recess and lunch. Chrome books can be used during class time, but not in the cafeteria and playground areas.

In an effort to enforce this policy, we will implement the following consequences:

1ST OFFENSE - Teacher takes phone or other electronics until end of the day. Phones or electronics may be taken to the office.

2ND OFFENSE - Students turn phones or electronics into the office until the end of the day, and parents are notified.

3RD OFFENSE - Parents are notified and phone or electronics are picked up by parents.

FINAL OFFENSE - Parent/Student/Office Contract

Single Point Entry

We are now fully enclosed. Gates will be locked promptly at 8:15 AM. If you arrive later, please enter through the office. All visitors must check in and enter through the office.

If you plan to join your child for morning walk, kindly sign in and pick up a morning walk sticker in the office.

The safety of our students is our top priority, and these procedures help us keep everyone secure! Thank you for your cooperation!
