Dear Parents and Families,

In order to provide the best education for your children, it is essential that we work closely with you. You are a very important part of our team. We encourage you to take an active role in your children's education. Teachers, parents, and students share responsibilities that we as partners carry out to achieve student success in school and in life. Teachers have reviewed these responsibilities with students, please review them again at home. Once you and your child have signed, please return to your child's teacher. Thank you!
