

# WHERE TO GO FOR CARE

Quick guide to help you choose the right option

## When to Choose Urgent Care

- Lower cost than the emergency room
- Faster care for minor illnesses and injuries
- Walk-in convenience with extended hours

## Know When to Go to the ER

- For serious or life-threatening symptoms like chest pain, trouble breathing, severe injuries, or uncontrolled bleeding.

*If you're unsure, go to the ER or call 911.*
